**PEARL OIL**  
(KEROSENE)  
HEAT AND LIGHT

## Baby Likes It

His daily bath is a real pleasure when he has it beside the warm glow of a good oil heater—filled with PEARL OIL. And mother knows that the heater is guarding his health—and she can use it in any room of the house.

PEARL OIL is clean-burning—no smoke—no odor—for it is refined and re-refined by our special process. Economical. Sold in bulk by dealers everywhere and by our stations.

Order by name—PEARL OIL.

STANDARD OIL COMPANY  
(California)

## APPLICATIONS FOR WATER RIGHTS FILED

During the months of August and September eighty-eight permits to appropriate water were issued by State Engineer, Percy A. Cupper, covering the use of water for irrigation of approximately 3,000 acres of land, development of 540 horsepower, domestic supply, municipal use, mining, and various other uses. Under these permits, the construction of approximately fifty-two miles of canal is contemplated, also the construction of various reservoirs for the purpose of storing water for irrigation, and the total estimated construction cost amounts to \$116,618.00.

These permits were issued to people in all parts of the State. Among the larger permits issued are included the permit of the City of Glendale, Douglas County, covering the appropriation of water from Mill Creek for municipal supply, under which the construction of a water supply system at an estimated cost of \$8,500.00 is contemplated; and the permit to H. D. Glover, of Jordan Valley, Malheur County, covering the appropriation of water from Cow Creek for storage in the Glover Reservoir and distribution system is estimated at \$4000.00. The City of Scio, Linn County, has been granted permit to appropriate water from Thomas Creek for municipal supply and manufacturing purposes at an estimated cost of \$35,428.00. Permit has been issued to the Bolen Creek Mining Company, of Medford, Jackson County, covering the appropriation of water from Sucker Creek for the development of ninety horsepower.

In Malheur County, the following permits have been issued:

- To Paul F. Ervin, of Harper, covering the appropriation of water from Malheur River for irrigation of forty acres. Under this permit, it is proposed to construct one and a half miles of canal at an estimated cost of \$300.00.
- To R. A. Winebarger, of Huntington, Oregon, covering the appropriation of water from springs for irrigation of one acre and domestic supply.
- To J. M. McEwen and Mrs. J. M. McEwen, of Riverside, covering the appropriation of water from Visher Creek for irrigation of 60 acres.
- To J. A. Baird, of Ontario, covering the appropriation of water from Malheur River for irrigation of three acres.
- To H. D. Glover, of Jordan Valley, covering the construction of the Glover Reservoir for the storage of 502 acre feet of water from Cow Creek, for irrigation and supplemental supply for 365 acres in Malheur County. The estimated cost of construction of the reservoir and distribution system amounts to \$5,000.00.
- To H. B. Clement, of Ontario, covering the appropriation of water from a slough for irrigation of 80 acres and domestic supply.

FARM WANTED—I want to hear from party having farm for sale. Give price and description.
